

FSC CODE OF CONDUCT: CHECKING CRIMINAL RECORDS DURING RECRUITMENT, SELECTION AND EMPLOYMENT (Northern Ireland)

The activities of the FSC in Northern Ireland are regulated by the Police Act 1997, Protection of Children Act (1989), the Safeguarding Vulnerable Groups Act (2006) and the Protection of Freedoms Act (2012).

New employees who are based in Northern Ireland are required to undergo an AccessNI check appropriate to their role with Access Northern Ireland (AccessNI). The post classification and level of AccessNI check required will be detailed in the vacancy pack for the post.

In addition, individuals from overseas are required to produce a police check statement from their own country. The FSC complies fully with the AccessNI Code of Practice and undertakes to treat all applicants for positions fairly.

A person with a criminal record will be deemed to be acceptable for consideration for employment, unless they have been barred through the AccessNI Children's Barred List or they fail to meet the FSC's internal criteria laid down for the Class of post as detailed below. Note: this also applies to any person who wishes to volunteer for the FSC.
